() DOWNGRADE TS to () S or () C, OADR

Body of Major Anderson

Brig. Rikhye telephoned USUN last evening confirming that Swiss observer to UN had just contacted SYG offering full assistance his government on removal body Major Rudolph Anderson Jr. to Guantanamo. Observer meets with SYG today to work out details. In event difficulties arise for logistical or other reasons Rikhye said UN would immediately look into possibility chartering plane from Miami or Key West and transport body to US soil under its own auspices.
